The Rico Town Park and Outdoor Recreation Hub Project – Location/Maps:
The Rico Town Park and Outdoor Recreation Hub Project – Site / Project Photos:

*Note: boxes are to identify where improvements are to be made, not exact measurements.*

**Playground:**

*Existing springles from current playground, re-located to fit within playground footprint*
Photos to represent the style of shade to be built over the concrete pad for the winter ice rink / summer Multi-purpose Community Space (It’s a metal structure that can be customized to the size needed to fit over the concrete, and to snow loads for Rico) and concept of the Dirt Pump Track.

Note: This is a concept photo for the Skate Park.
